**URGE OVERKILL'S "SATURATION" 25TH ANNIVERSARY RE-ISSUE
ON PORTERHOUSE RECORDS 12" BLUE CLEAR VINYL
PRE-SALES ON NOW - STREET DATE: TO BE ANNOUNCED**

25 years goes by so quickly! A great rock band when the world needed a great rock band Urge turned in a stellar performance on "Saturation" and alongside the Butcher Brothers created one of most relevant records of the 90's.

The 25th Anniversary Re-Mastered version of "Saturation" is a true to life replication of the original packaging down to the inner sleeve and in the spirit of the original will be pressed on colored vinyl. The Porterhouse Prime Vinyl pressing will start with a limited run of 1000 pieces in clear blue vinyl. There will be other colors in subsequent pressings. Porterhouse will be paying attention to all the details that make the re-mastering and plating process successful and we'll be delivering you a revitalized and thoroughly epic "Saturation."

The 25th Anniversary Saturation Re-Issue is available for Pre-Order now. The actual Street Date has yet to be determined, but Pre-Orders will ship in advance of the Street Date. Follow the News at our website for updates on release scheduling.
